Aquacubic

COMPANY PROFILE

Aquacubic is your reliable partner in China.

CORE VALUE

CUSTOMER FIRST
QUALITY PRIORITY

MISSION

High standard"Made in China"
product and service provider

Aquacubic Group provides “Quality Bath & Kitchen Solution” for our customers.

Quality is always the first priority of Aquacubic. We understand the importance of quality to our clients and quality is the foundation for long -term cooperation. To deliver high quality products, we established the whole quality system from raw materials checking to mass production audit and final products inspection. Most of our products are CUPC and CE certified.

Cooperating with Aquacubic is cost saving. Aquacubic makes great investment in machines to increase production efficiency. Thanks to long existence in the industry and good relationship with material suppliers, Aquacubic has good cost control system, to ensure competitive pricing for our customers.

Once you contact Aquacubic, you will find yourself are in service of a hardworking, reliable, sincere team with good communication skills. Our associates also provide value-added service on design, test report, shipment arrangement, freight cost control and so on.

Aquacubic has rich experience and passion in bath and kitchen industry and appreciate your contact and business.

CERTIFICATION MARKS

CERTIFICATES

BATHROOM FAUCET

Aquacubic faucets are designed for long -lasting performance and easy installation. Leadfree solid brass body is not only good for your health, but also good for long term use. Variety of finishes are available for Aquacubic faucets. Special oil sealed finish makes the surface free of stain and water spot. WaterSense labeled faucets use at least 20% less water than the industry standard, saving water consumption without compromising performance. A rich variety of modern and classic designs are tailor-made for different households.
